“With access to clean water, diarrhea or skin problems are no longer threats.”

**MARIA SANTOS OF SANTA APOLONIA, GUATEMALA**

“This program helped me a lot because if I had stayed at home, I might have lost my son, or even died myself. I gave birth in the hospital. It was better because it was safe.”

**LUCIA OF CAMPINE, MOZAMBIQUE**

“This year, after being trained on organic farming using locally available resources, I’ve managed to harvest 10 bags of 50 kg of maize for consumption. I sold some of my preserved vegetables, I’ve now joined the village savings group and I can send my children to school”

**VIOLET TEMBO, A MOTHER OF FIVE CHILDREN, A BENEFICIARY OF THE NSUGENI-LED PROJECT IN ZAMBIA.**

“For two months, I have been travelling with my children from South Sudan to escape to Uganda. We sleep under a tree at night, now my children are sick with malaria. I thank God for these free tests and drugs to treat my family for malaria.”
